Prayers to Share

Monday, April 13, 2020

God of life, today I open my heart in thanksgiving for the great gift of your mercy, forgiveness, and unconditional love, and I pray that I will grow each day in mercy, forgiveness, and love for my brothers and sisters.

Tuesday, April 14, 2020

Today I pray for all the workers adjusting to wearing protective equipment on the job, to distancing themselves from their colleagues, and to working from home. I pray they take steps to maintain their health and refresh their minds.

Wednesday, April 15, 2020

God of creation, today I pray for fresh eyes and ears, and a refreshed heart and mind, to enjoy our world as I exercise my body, connect with loved ones through the gift of technology, and return to quiet pastimes I have neglected.

Thursday, April 16, 2020

Today I pray for our spiritual leaders, who may suffer from fear and

isolation even as they strive to find new ways to serve their communities. May they find comfort in their faith and strength from the people's need of their wisdom.

Friday, April 17, 2020

God of plenty, I give thanks for the home where I shelter in place, and for the food and supplies around me. I pray for wisdom to appreciate the many gifts You have given me, rather than mourning temporary losses I am enduring.

Saturday, April 18, 2020

Today I pray for inspiration for new ways to love my neighbor and serve my brothers and sisters, whether I Facetime with someone suffering from isolation, support a local business with an order, or donate online.

Sunday, April 19, 2020

Father of us all, I ask you to hold our legislators and government leaders in Your hand as they take steps to help prevent the wider spread of this pandemic. Please give them wisdom to take helpful actions and to guide us all to stay safe.
