EARTH DAY ~ Today I pray a prayer of thanksgiving for the world we live in, for the beauty of land and sea, plants and animals, and my brothers

and sisters. I pray for the wisdom to care for God's creation.

Generous God, today I pray for patience as this time of sheltering in place grows long. I pray for wisdom and understanding when confronted with the frustrations of those with whom I shelter.

Today I give thanks for technology that bridges the gaps we experience during this time: telephones and video meeting apps, livestreamed Masses and mass prayer gatherings, films and music and digital books to capture the imagination.

Loving God, today I pray for people still facing other issues in this time of pandemic. Protect people from family separation, trafficking and violence.
