## *Prayers to Share*

**Monday, July 27, 2020**

Today I pray for the forbearance to continue taking important steps to protect my own health, and to protect the health of those around me.

**Tuesday, July 28, 2020**

All-knowing God, help me to see myself as You do, and to treasure my unique gifts without jealousy of another's. Remind me that You made me in Your image, and that each day I can strive to do Your will more perfectly.

**Wednesday, July 29, 2020**

Today I pray for caregivers working on the front lines, and for researchers striving to develop a vaccine for COVID-19. I pray that they will have the strength and the persistence to continue their good work.

### **Thursday, July 30, 2020**

God of creation, I pray that parents and their children will comfort and support each other during these uncertain times. Please help them draw closer together in love and unity.

### **Friday, July 31, 2020**

Today I pray for peace. Fill hearts with mutual respect and care to enable anger and frustration to be expressed and heard, while protecting life and property from being harmed.

### **Saturday, August 1, 2020**

Healing God, enable me to be a helpful person in this pandemic. Alert me to places I can help like encouraging front line caregivers, sharing any resources I can and living and working with safe practices.

### **Sunday, August 2, 2020**

God of all, today I pray for forgotten needs. Provide nutrition to those in need. Shelter those who are homeless. Protect those at risk of violence.
