A Retreat with St. Clare: Finding her Light, Hearing her Song

Presented by Sister Margaret Carney, OSF

Sunday, May 23 – Saturday, May 29, 2021

Description:

Sister Margaret will use her new biography, *Light in Assisi: The Story of St. Clare* as the framework of this retreat.

The retreat will:

1. Use the story of St. Clare to inspire today's Franciscans and provide reflection and inspiration for their life and work.
2. Stimulate reflection on the little-known aspects of Clare's life and provide new ways to consider the best known stories of her life.
3. Link the inspiration from St. Clare to the new encyclical, *Fratelli tutti*, thus inviting fuller understanding of the Franciscan woman's role facing present crises in nation and church.

Light in Assisi: The Story of St. Clare, by Sister Margaret Carney, will be published by Franciscan Media in the Spring of 2021.
